How long will it take to access the subsidy program I want if I am approved for Fair Entry?

Subsidy Program	After Fair Entry application
Seniors Services Home Maintenance	You will be contacted by the SSHM program within 30 business days to further assess additional screening requirements set by the province before approval for home maintenance services is established.

How long does my Fair Entry approval status last?

If you are **only** applying for the SSHM program, without any other subsidy program, you will need to apply to Fair Entry once. The SSHM program is affiliated with a provincial seniors benefit program called Special Needs Assistance (SNA) for Seniors. Your application will be reviewed in relation to its criteria to determine eligibility. If you meet eligibility criteria, you will be granted access to the SSHM program as long as you continue to qualify for SNA. There will be no need to renew your Fair Entry status annually, your status will remain active.

If at some point in the future you become denied for the SNA program, the SSHM program will contact you to let you know of the status change and will provide you with contact information for the province to discuss your change in status. Your home maintenance services will come to an end on a date communicated to you at that time as acceptance into the SNA program is required to participate in The City's SSHM program.

For clients who were enrolled in the SSHM program prior to March 28, 2019, some exceptions may apply. Please contact 311 to speak to a program representative or email fairentry@calgary.ca for more information.

If you are applying for the SSHM program along with another Fair Entry program (e.g. Calgary Transit Low-Income Seniors Yearly Pass and/or Recreation) you will need to reapply through Fair Entry annually to determine if you qualify for those additional subsidy programs. Your SSHM approval status will remain unchanged if you've already been accepted into the SSHM program. Approval status for Fair Entry is active for one year from the date of Fair Entry approval. You will receive a letter from the Fair Entry program outlining your status for each of the programs you applied to and an expiry date if your application was approved.

GENERAL INFORMATION ABOUT SENIORS SERVICES HOME MAINTENANCE PROGRAM

What is the Seniors Services Home Maintenance (SSHM) program?

The SSHM program provides home maintenance support to seniors (65 years and older) living in lower income households. SSHM has a range of service providers that deliver snow removal, grass cutting and light housekeeping services for its clients. There is no direct charge to seniors receiving these services as participation in the program is contingent on the senior being eligible for the provincial SNA benefit program.

What is the Special Needs Assistance (SNA) for Seniors benefit?

The SNA benefit provides financial assistance to eligible seniors with low income toward the cost of home supports. The program provides a \$1,226/person per benefit year for eligible snow removal, grass cutting and light housekeeping services. The Government of Alberta stewards the SNA benefit that The City of Calgary accesses to offset the cost of your home maintenance services.

What are the eligible home maintenance services offered?

The SSHM program delivers three main types of services that are allowable. These services are:

- **Snow removal:** Snow and ice removal from sidewalks, pathways and driveways of client's property.
- **Grass cutting:** Front and back lawn, medians associated with property.
- **Light housekeeping:** Dusting of surfaces, vacuum/mop of floor surfaces, cleaning of kitchen and washrooms.

Who delivers the services?

The SSHM program is supported by a network of service providers that provide direct delivery of the defined home maintenance services. SSHM contracts service providers and provides oversight to ensure the needs of customer care, quality and timely service delivery can be consistently met.

What is the role of community service providers?

- To provide direct delivery of the SNA allowable services (snow removal, grass cutting, light housekeeping).
- To coordinate service scheduling and be the first point of contact regarding any service inquiries the client may have.

What is the role of the City of Calgary?

- To facilitate the application process, intake, pre-screening, and to verify program eligibility. The SSHM program will conduct an intake assessment to determine your eligibility and service needs. They will contact you by phone within 30 days of your application referral from the Fair Entry program.
- To coordinate client referrals and the provision of services through contracted service providers to expand geographic reach and number of spaces available for eligible seniors.
- To provide quality control oversight and consistency parameters between contracted service providers.
- To administer SNA billing on behalf of low-income seniors to alleviate the burden on individual seniors to pay out of pocket and wait for reimbursement.

What is the Role of the Government of Alberta?

- To steward the Special Needs Assistance for Seniors benefit program. Specifically, the allocated \$1,226/person per benefit year (July-June annually) for secondary benefits.
- To provide SSHM clients detailed statements of services paid out of their SNA benefit.
- To provide an explanation or review of the information used to determine eligibility for the SNA benefit, including the opportunity to appeal a decision.

How do I qualify for the SSHM program?

Your Fair Entry application will be referred to the SSHM program and they will verify your eligibility for the program with the province. You will receive a letter from SSHM indicating your status and next steps.

Program eligibility for the SSHM program requires applicants to qualify for the provincial SNA benefit. Additional screening is required to verify eligibility for the SNA benefit before services are provided.

What are the eligibility requirements for the SNA benefit?

Specific details about the SNA benefit can be found at www.alberta.ca/seniors-special-needs-assistance.aspx or by contacting the province directly through any of the following methods of communication:

Alberta Supports Contact Centre:

STEP BY STEP EXPLANATION OF THE FAIR ENTRY APPLICATION

The Fair Entry program only assesses residents of Calgary. If you do not live within Calgary city limits, do not complete this application. Call 211 and you will have access to an entire network of community, social, health and government services that may be available in your community.

Section 1: Program(s) I am interested in (*Indicates a mandatory field)

1.1 If you only are interested in the Seniors Services Home Maintenance program, select the Seniors Services Home Maintenance program for those 65 and older on the **Fair Entry: Application Form**.

If you are interested in the other Fair Entry programs, refer to the **FAIR ENTRY: TRANSIT, RECREATION, NO COST SPAY/NEUTER, PROPERTY TAX ASSISTANCE, WASTE AND RECYCLING PROGRAMS INFORMATION GUIDE** for a description of the program(s) to help inform your decision. You may select multiple programs.

Section 2: Personal Information (*Indicates a mandatory field)

2.1 Applicant information is required for all applications. Your first name, last name and date of birth are mandatory fields. Your middle initial and preferred name (common name that you go by) is optional. Proof of age is required for primary applicants to the Seniors Services Home Maintenance program and to the Calgary Transit Low Income Annual Transit Pass (Senior) program and it could be determined by submitting any of the following documents:

- a copy of your Birth Certificate;
- a copy of your Driver's License;
- a copy of your Alberta Government Identification Card;
- a copy of your Alberta Healthcare Card;
- a copy of your Passport; or,
- a copy of your Baptismal Certificate.

2.2 Spousal information (first name, last name and date of birth) is required for all applicants to the SSHM program as it is relevant to determine which spouse can access the provincial (SNA) benefit and/or the need for a medical note to gain approval for the program. Spousal information is also required for other Fair Entry subsidy programs. The same proof of age examples listed in 2.1. apply for the spouse of the applicant.

2.3 Proof of Calgary address is determined by submitting any one of the following documents:

Note: P.O. boxes, rural routes, range and township road addresses are not accepted.

The Fair Entry program, or any of its subsidy programs that you apply for, may need to contact you either to process your Fair Entry application or to deliver the subsidized service. Providing an email address can help to expedite receipt of your notification letter which informs you of the outcome of your application.

Section 3: Alternate Contact

- 3.1** Sometimes applicants prefer to have a trusted friend, family member, or other associate to correspond with the Fair Entry program or with the subsidy program they applied for. You have the opportunity to list an alternate contact on your application for that purpose and in doing so, are authorizing Fair Entry and its subsidy programs to correspond with that person on your behalf.

Section 4: Seniors Services Home Maintenance Program Only

- 4.1** The Personal Health Number (PHN) is required for the eldest applicant in the household applying to the SSHM program. Your PHN is collected to determine Special Needs Assistance benefit eligibility through the Government of Alberta.

Note: Applicants who are only applying to the SSHM program without any other subsidy programs do not have to provide their household (family members) information as the Special Needs Assistance for Seniors benefit only requires spousal information.

If the SSHM program is the only subsidy program you are applying to, proceed to Section 9 to sign your application and complete the process. Otherwise if you are requesting an additional subsidy program alongside SSHM, please continue with Section 5.

Section 5: Other Household (Family members) Information (not already in Sections 2.2 and 2.3)

There are only two circumstances where we require information about household* members and their income:

1. If anyone in the household is providing a Notice of Assessment, everyone 18 years and older within the household needs to submit an income proof. Refer to the Statistics Canada Low Income Cut-Off (LICO) table below for information about household income.

OR

2. If anyone in the household is applying for No Cost Spay/Neuter or the Property Tax Assistance program everyone 18 years and older within the household needs to submit an income proof.

If either of these two circumstances apply to you, income documents will be required for all adult household members. Household members should provide a proof of income found in Section 8: Income Verification if they have it, otherwise a Notice of Assessment will be required.

***What is a household?**

A household is **all** family members living in the same home related by blood, marriage, common-law or adoption (including children). This definition is provided by Statistics Canada, it accompanies the low-income table which is based on household income.

Your Total Income can be found on your Notice of Assessment on Line 15000. When adding up the total income amounts for all household members as defined above, the household total income amount should be at or less than the Statistics Canada, Low-Income Cut Off (LICO) rate if you are using a Notice of Assessment to apply to Fair Entry. See the table below for income thresholds based on the number of family members in your household.

Statistics Canada Low Income Cut-Off (LICO) Table

Size of family	Total Income (Line 15000)
1 person	\$27,514
2 persons	\$34,254
3 persons	\$42,111
4 persons	\$51,128
5 persons	\$57,989
6 persons	\$65,401
7 or more	\$72,814
